Hi

Welcome to the last Jena Dyco newsletter for the year. We hope that the weather is slowly improving so we all can enjoy the long expected summer and get ready for the festive season.

We would like to thank everyone who came to celebrate the opening of our new Melbourne Training venue and 20 years in the industry on Friday 26th November. The night was fantastic thanks to a great mix of Jena Dyco customers, suppliers and family members. Check out all the great photos on our Facebook page. Everyone had a chance to guess how many customers have been trained this year and Carolyn Whyte of Whyte's Specialised Equipment got it right. We hope Carolyn enjoyed her prize, well done! We had over 1020 course attendees in 2010 and more than 80 customers completed a full qualification. Congratulations to all the successful people! Let's see if we can beat this number in 2011 because having more skilled people in your company means growth of your businesses and improvement of our industry.

We have finally moved to our new office, so from

now on our mailing and physical address is Unit 22,
23 - 25 Bunney Road, Oakleigh South, VIC 3167.
Please update your records accordingly and let us
know if you want to stop by for a chat, it will be
great to see you. Please note that our office will be
closed from midday Thursday 23rd December and
we will be back on Tuesday 4th January 2011.

We would like to wish all of you a very Merry
Christmas spent with your families and all the best
in 2011. Our Christmas present to you is \$150 off
any course if you register by Wednesday 22nd
December. On top of that whoever takes up the
offer will go into a draw to win 2 tickets to the
Australian Open in January 2011 in Melbourne.
Good luck!

Thank you again for your continuous support. We
look forward to a great start in 2011 because
'Training with Jena Dyco pays off!'

Kind Regards,

Jenny Boymal
